### Jerome B. Chernock, Partner

Mr. Chernock is a Partner at DC Capital Partners.

During his time with DC Capital Partners, the firm has completed over 20 transactions and raised its first institutional private equity fund. Mr. Chernock's notable investment experience includes DC Capital's successful sale of SC3, the take-private transaction involving former NYSE traded Michael Baker Corporation, the acquisitions of QRC Technologies and Owl Cyber Defense (Acuity Technologies Holding Company, LLC), and the formation and growth of Caliburn International Corporation.

Mr. Chernock currently serves as a Director of Caliburn International Corporation and serves as an Observer at Michael Baker International, LLC and Acuity Technologies Holdings Company, LLC.

Previously, Mr. Chernock was an investment banker at Jefferies & Company, where he advised clients on a range of M&A and financing transactions including the sale of two of DC Capital Partners' realized investments: National Interest Security Company, LLC and International Development Solutions, LLC.

Mr. Chernock received a B.S. degree with a double major in Finance and Accounting from the University of Maryland, College Park. Mr. Chernock is also active in his community, currently serving on the Board of Directors of Mount Saint Joseph.
